Vision

"Education is the manifestation of the divine perfection existing in man." - Swami Vivekanand

The UNESCO Report- Jacques Delors committee 1996 stated the four pillars of education viz:

- Learning to do
- Learning to learn
- Learning to be
- Learning to live with others

Imploring on these lines Yaduvanshi Shiksha Niketan Schools envision a robust, vibrant and holistic education, grooming children into leaders in the field of their endeavours and world class global citizens open to modernisation with due respect to Indian Cultural heritage.

At Yaduvanshi Shiksha Niketan, we believe learning is limitless. It goes beyond the covers of a book to span a student's overall personality development. Education is talent picturized i.e. it is a thought or a noble idea converted into reality. Education should make the child accommodate himself in the new socio economic order of the information era even at the cost of sacrificing his interest for the welfare of the nation and mankind.

Aim and Philosophy

We want our pupils to become responsible adults, having achieved their academic potential and realised the full worth of others.

Welcome to

Preamble

Rao Bahadur Singh who saw a dream to provide world class education in Mahendergarh, has now fulfilled it with his remarkable hard work and enthusiasm.....

Realizing the need of preparing the children to meet the challenges of different facets of life, a team of dedicated professionals thought of starting an educational institution which would aim at an all round development of children providing philosophical knowledge with special emphasis on Indian philosophy and blending in its system with all the modern creative thoughts of education. Rao Bahadur Singh, a man of resources and a team of educationists are the main driving force in this regard.

Rao Bahadur Singh, Chairman, Yaduvanshi Group of Institutions, a renowned businessman & social worker of this area is the linchpin of the Yaduvanshi Educational Institutions. He has worked as a coordinator of 'Statue-Installation Project' of the martyr Rao Tula Ram at Mahendergarh. He also initiated the work of 'Yadav Dharmshala' at Mahendergarh. Without any formal degree, he has made a history in the field of education by establishing a group of reputed institutions under the flag of Yaduvanshi Shiksha Niketan at Mahendergarh, Sohali, Narnaul, Nangal Choudhary, Rewari, Satnali, Jind, Gurugram Sec-82, Kosli, Gurugram Sec-33, Hansi, Gurugram Sec-92, Dhani Mahu (Bhiwani)

Introduction

A number of educational institutions namely "Yaduvanshi Shiksha Niketan" were established at Mahendergarh, Sohali, Narnaul, Nangal Choudhary, Rewari, Satnali, Jind, Gurugram Sec-82, Kosli under the aegis of 'Rao Chiranjilal Samriti & Jan Sewa Trust', Mahendergarh.

The self speaking results of board exams of these institutions have proved to be trend setter in the area. In addition to this fact the institutions tell the story of success through their students performing brilliantly in various fields like Medical, Engineering, IIT, Institution of CA, ICWA and other degree and professional courses. This success gave a boost to the morale of the management as a result of which new branches are coming at Gurugram Sec-33 & Sec-92, Hansi and Dhani Mahu (Bhiwani).

Yaduvanshi Shiksha Niketan institutions have an ultra modern infrastructure in lush green campuses in the lap of nature which includes the administrative wing, A.C./Air cooled hostel for boys and girls separately, academic blocks which comprise well ventilated and spacious class rooms equipped with modern and latest teaching aids, conference hall, computer labs with internet connectivity, well stocked libraries, well equipped labs for Physics, Chemistry & Biology; Language Labs, separate music rooms, gymnasiums and playgrounds with maximum sports facilities etc. It is specific here to mention that besides class-room teaching, career-oriented studies are being run parallel.

This is a step to strengthen students' instincts of being successful in a highly competitive environment. We believe that excellence alone is the hallmark of competence and achievement. Above all the pious and honest dedication of our human resources definitely add a golden feather in the cap of the trust.

From session 2009-2010 sections of Superb-30 from class 9th onwards are running in full swing. These students are specially groomed for NTSE, KVPY, CLAT, IIT-JEE, Medical Entrance, NDA and UPSC etc.

Whilst high academic achievement is a priority, the school aims to create a 'community' of well groomed individuals, where a spirit of co-operation and mutual respect exist among the students and teachers.

The schools organize many activities throughout the year where qualities such as leadership and self discipline are inculcated and an emphasis is given on the individual's intellectual and emotional growth.

A number of sports are played in the schools which give the students an opportunity to express their individual talent. Drama, Performing Arts, Arts and Design, Debating and Music form a significant part of the curriculum.

*“Literary education is of no value,
if it is not able to build up a sound character.”
-Mahatma Gandhi*

Hands on. Always on.

Our rigorous, hands on approach gives you a remarkable advantage that often stays with you longer than something you read or listen to. That's why our programmes stress on the application of knowledge. Faculty members take every opportunity to demonstrate how you can relate with what you learn in real-life situations.

Our institutions stress to inculcate in young minds a sense of self-respect, pride, love and dedication for the nation. Yaduvanshi Shiksha Niketan aims at the complete development of children's capabilities of head, heart and hand in order to ensure growth of an integrated personality and national character with sense of duty and service to the society. Our hope as well as prayer is that Yaduvanshi Shiksha Niketan becomes a beacon of light to enlighten thousands of students who come in contact with it by removing the darkness of ignorance and narrow mindedness. To quote Swami Vivekananda, "We want that education by which character is formed, strength of mind is increased, intellect is expanded and by which one can stand on one's own legs".

Objectives at Secondary level

1. To integrate and develop students' physical and cognitive skills.
2. To create an awareness, a feeling of love for Indian culture and tradition.
3. To encourage students to participate in creative meaningful activities.
4. To organize tours particularly to monuments and places of historical and cultural significance.
5. To set up hobby clubs, book clubs and film clubs in school.

Objectives at Primary Level

1. "Learning by doing" using Montessori apparatus.
2. Developing a sense of touch.
3. The children's perception is heightened by enacting, clapping, calling out and using a number of little learning aids.
4. The child is made to adjust and socialize with children coming from various cultural backgrounds.
5. Grooming children into world class leaders and global citizens.

with centres of excellence.

CAREER COUNSELLING DEPARTMENT

The school has a Career - Counselling Department which helps students in choosing their career. The department provides information regarding Medical, Engineering, MBA, NDA, NTSE, KVPY, CLAT, UPSC etc. Students can get form & guidance for entrance tests of different competitive exams. The Counsellors devote a lot of time to school students not only to help them overcome their personal problems but also to contribute to their personal development.

LIBRARY CUM READING ROOM

All the branches under our banner have a rich library where books ranging from all time classics to contemporary blue ribbon books; ample reference books and support material for board and competitive exams are available for students. In order to keep the students abreast with the happenings round the world, the library has all the national dailies, periodicals and monthly magazines. To inculcate and ensure reading habit every class is assigned a library period.

PLAYGROUND

All the schools have sprawling playgrounds with 200 meter 8 lane track, fields and courts for all outdoor games besides an indoor stadium, a Hi-Fi Gymnasium and a well equipped sports room. Games a compulsory activity, ultimately aims to foster brotherhood spirit and sportsmanship among the children.

Day Boarding

The cognitive and psycho-motor skills of the tiny tots of Kids Spring Blossom are developed by using a range of methods (Maria Montessori to CAT) and techniques in a stress free, playful and fun oriented atmosphere without carrying the burden of homework. In the upper classes, the students complete the home work after school hours under the supervision of teachers.

Prizes and Scholarships

Individual and collective prizes are given to the students to encourage a healthy spirit of competition in them for distinction in academics, games, sports and other activities. The scholarships are granted in the next session subject to continuation in the school except class XII.

Co-curricular Activities

The school has a well balanced curriculum tuned to develop the mental and physical faculties of every child to groom him/her into an all round personality. Yaduvanshi Shiksha Niketan encourages activities like public speaking, debates, declamations, poetic recitation, poetry composing, dramatics, editing, adventure and hiking etc. It also promotes desirable creative activities and hobbies like music, dance, drawing, painting, fine arts and study of computers. Campus tours, cycle trips and educational tours are arranged as a routine so as to inculcate a sense of self discipline, self reliance and habit of team spirit for which the school has introduced a number of houses, clubs besides N.C.C., Scout and Guide and N.S.S. Troops.

i) HOUSE SYSTEM

The school is divided into different houses. House captains help in organizing their house activities and school activities. A healthy spirit of competition is encouraged among the houses by organizing inter - house competitions for which team trophies and individual prizes are awarded. The main spirit behind house system is to infuse a sense of responsibility and leadership among the students.

ii) Computer Orientation Programme

India is going in for wide spread computerization & digitalization and practically every field is going to be affected. Keeping this in mind computer education has been included in the school curriculum.

iii) N.C.C., Scout and Guide, N.S.S. Troops

Keeping in mind the services of the students for their motherland, the schools encourage the students to join N.C.C., Scout and Guide and N.S.S. Troops. Students organize and participate in various social activities like Van Mahotsav, tours, camps and excursions etc.

iv) Clubs

To kindle the innate talents of the children a number of clubs are available for the children, e.g. Book Club, Dramatics Society, Literary Club, Gardening and Yoga Club etc. The club members not only get the required milieu to channelize their hobbies and instincts but also spend their leisure time constructively.

v) Tours and Trips

To remove the monotony of the class room teaching with the common teaching aids of black board, chalk, duster and text book, the school has multimedia aids too. Besides this, tours and trips are conducted every year to the places of educational and historical significance so that students get first hand information.

vi) Work Experience Activities

Atal Tinkering Laboratory at Yaduvanshi Shiksha Niketan, Mahendergarh & Narnaul

Background

With a vision to 'Cultivate one Million children in India as Neoteric Innovators', Atal Innovation Mission is establishing Atal Tinkering Laboratories (ATLs) in schools across India. The objective of this scheme is to foster curiosity, creativity and imagination in young minds; and inculcate skills such as design mindset, computational thinking, adaptive learning, physical computing etc.

ATL is an approach of Central government of India to create an environment of scientific temperament, innovation, creativity amongst Indian Students. It is a step towards a new India.

Since the last few decades, our education system has seen a paradigm shift. Today, with this approach of inculcating Hands on Methodology in the current education scenario we have resolved the need of the hour.

ATL lab would teach students essential 21st-century skills which will help them in developing their professional and personal skills. Skilled India is the need of the hour and each step taken this dream should be welcomed and we should work towards it together for a better India.

Key Features of ATL

ATL is a work space where young minds can give shape to their ideas through hands on do-it-yourself mode; and learn innovation skills. Young children will get a chance to work with tools and equipment to understand the concepts of STEM (Science, Technology, Engineering and Math). ATL would contain educational and learning 'do it yourself' kits and equipment on – science, electronics, robotics, open source microcontroller boards, sensors and 3D printers and computers. Other desirable facilities include meeting rooms and video conferencing facility.

In order to foster inventiveness among students, ATL can conduct different activities ranging from regional and national level competitions, exhibitions, workshops on problem solving, designing and fabrication of products, lecture series etc. at periodic intervals.

Yaduvanshi Shiksha Niketan School Mahendergarh & Narnaul have taken an initiative to set up ATL Tinkering Lab in their campuses keeping in mind the need of innovative ideas and creativity to tinker the ensuing children of the area. With this lab the area is being benefitted by the innovative apparatuses to create new dimension and to bring drastic changes in the concept of scientific innovation, computing and creativity.

Separate Hostel For Boys & Girls

All the schools offer fully A.C./ air Cooled hostels separately for boys and girls coming from various districts and states. Architectural beauty, grassy lawns, fountains, open auditorium and statues of Lord Krishna give an aesthetic view to the hostels. All the hostel rooms are spacious; boarders are provided with a bed, a cupboard, a book shelf, a study table & chair. The students live under parental care and in a homely environment.
